Overview: TaNaK / Old Testament

The Hebrew Scriptures are a three-part collection of scrolls known as the Torah, Prophets, and Writings, or “TaNaK” for short.

Did you know that the arrangement of the Old Testament in Christian Bibles is not original? Along with all ancient Jews, Jesus encountered the Scriptures as a three-part collection of scrolls known as the Torah, Prophets, and Writings, or “TaNaK” for short. In this video we’ll explore why this matters, and what happens when you read the Hebrew Scriptures in the traditional Jewish order.

TaNaK for short

The Hebrew canon, or Old Testament, refers to the collection of Hebrew (and some Aramaic) books that were recognized as Scripture in ancient Israel. The traditional order we're talking about is referred to as "TaNaK." The TaNaK is an acronym for the names of the three large subcollections of the Hebrew Bible: Torah, Nevi'im, and Ketuvim. See how the whole order of the Old Testament is actually much different than you may think and is the same order Jesus would have read them in.
