Overview: Zephaniah

Zephaniah announces God's purifying judgment on Israel. It will remove evil and open up a new future where all people can flourish in peace.

The book of Zephaniah contains some of the most intense images of God's justice and love found in the prophetic books. Zephaniah warns Israel and the surrounding nations that the day of the Lord is near. God will judge the nations with a burning fire as He purifies them from sin, evil and violence.

Judgment and hope

God performs this act of justice because He's passionate about protecting and rescuing His world from evil. He loves us so much that He must purify us. Only then can He bring restoration where He removes evil forever and creates a New Jerusalem for His faithful remnant from all nations to gather and flourish in peace and praise Him. Together, God's justice and love give the world future hope.
