Introduction to KingdomNomics Converterlator

The KingdomNomics Converterlator, delves into the Biblical principles that clarify how we are actually agents of change in this world with rewards in heaven for all that we accomplish using those resources.

Each day provides new opportunities for us to serve God by strategically using the resources he has entrusted to us. A Converterlator is an agent of change; a transformer who not only experiences a life of joy now, but who also makes decisions that will echo into eternity.

A Converterlator sees the big picture, a picture that is bigger than just life here on earth. A Converterlator has a living relationship with God that makes an impact in our world and for eternity.

The Bible is clear that we will experience rewards in heaven. As we use our time, talent, and treasure for God's kingdom, we will experience a life of opportunity, impact, and legacy.
