Bible Study Tools

Great sermons and Bible teaching begin with careful study of God's Word. The free tools below put translations, commentaries, original-language helps, and study resources within reach of every pastor, teacher, and serious Bible student.

NET Bible

The NET (New English Translation) Bible is available in the JO App (app.jesonline.com). [Read the NET Bible on the JO App.](#)

NET Bible also offers a free online Bible at netbible.org. This site provides 60,932 notes by more than 25 scholars — experts in the original biblical languages — who translated the NET Bible directly from the best currently available Hebrew, Aramaic, and Greek texts. The website is a great reference source for serious Bible students.

Bible Gateway

[Bible Gateway](http://biblegateway.com) (biblegateway.com) is a searchable online Bible tool hosting more than 200 versions of the Bible in over 70 languages that you can freely read, research, and reference anywhere. Including a library of audio Bibles, mobile apps, devotionals, email newsletters, and other free resources, Bible Gateway equips you not only to read the Bible, but to understand it.

Bible Hub

[Bible Hub](http://biblehub.com) (biblehub.com) is an online parallel Bible with search and study tools including parallel texts, cross references, Treasury of Scripture, and commentaries. This site provides quick access to topical studies, interlinears, sermons, Strong's and many more resources, and is a great way to link any verse on your site to an instant menu of 25 versions. This website allows you to:

- **Search:** Enter any combination of book, abbreviation, chapter, verse, or keyword.

- **Read:** Click any version name to read the full chapter for that text.
- **Study:** Click any study tab to view [sermons](#), [topics](#), [commentaries](#), [interlinear](#), [Strong's](#), or [Greek and Hebrew](#) for your passage.

English Bible Translations

The original manuscripts of the Bible — known as the autographs — were written by their respective authors but have not survived. Nevertheless, the biblical text has been faithfully preserved and transmitted through thousands of ancient manuscripts and fragments discovered around the world.

The Scriptures were originally composed in Hebrew (most of the Old Testament), Aramaic (small portions of the Old Testament), and Greek (the entire New Testament). Biblical scholars carefully study and compare these and other Latin manuscripts to produce accurate translations of the Bible into modern languages.

Today, there are many English versions of the Bible. [“A Guide to Finding the Right Bible Translation”](#) by Olive Tree Bible Software will help you understand different English translations.

Scripture Memorization

The Navigators shows you how to memorize Scripture with a proven method. Read the article, "[How to Memorize Scripture](#)."

The [Topical Memory System \(TMS\)](#) is a simple, easy-to-use system for memorizing key Bible verses that point to essential gospel truths.
