God Loves You More Than You Know

[Watch the summary video](#)

In the midst of a crisis, it may be difficult to believe that God still loves you. You may be feeling abandoned, even by him. You may be doubting God's love and goodness in the face of the hardship you're experiencing now.

But God does love you and wants a love relationship with you, even when you don't feel worthy of being loved. Delight in his love and let it become your constant source of assurance. Nurture your love relationship with God and experience his limitless, transforming love for you.

The apostle Paul wrote this to the church in Ephesus,

And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is. May you experience the love of Christ, though it is too great to understand fully. (Ephesians 3:18-19. NLT)

God's love for you never changes because he is love! Love permeates his entire being. No person will ever love you more, be as committed to you, or make a greater sacrifice for you than God.

Even in a crisis, you can experience God's incredible love for you and it will give you peace, hope, and strength. To experience God's love in any situation, you need to shift your focus from your external circumstances to God's eternal truth found in the Bible.

Consider the following three characteristics of God's love for you:

God's Love is Unconditional

God loves you because of who He is, not because of what you have done or not done.

But God demonstrates his own love for us, in that while we were still sinners, Christ died for us. (Romans 5:8)

God's Love is Unstoppable

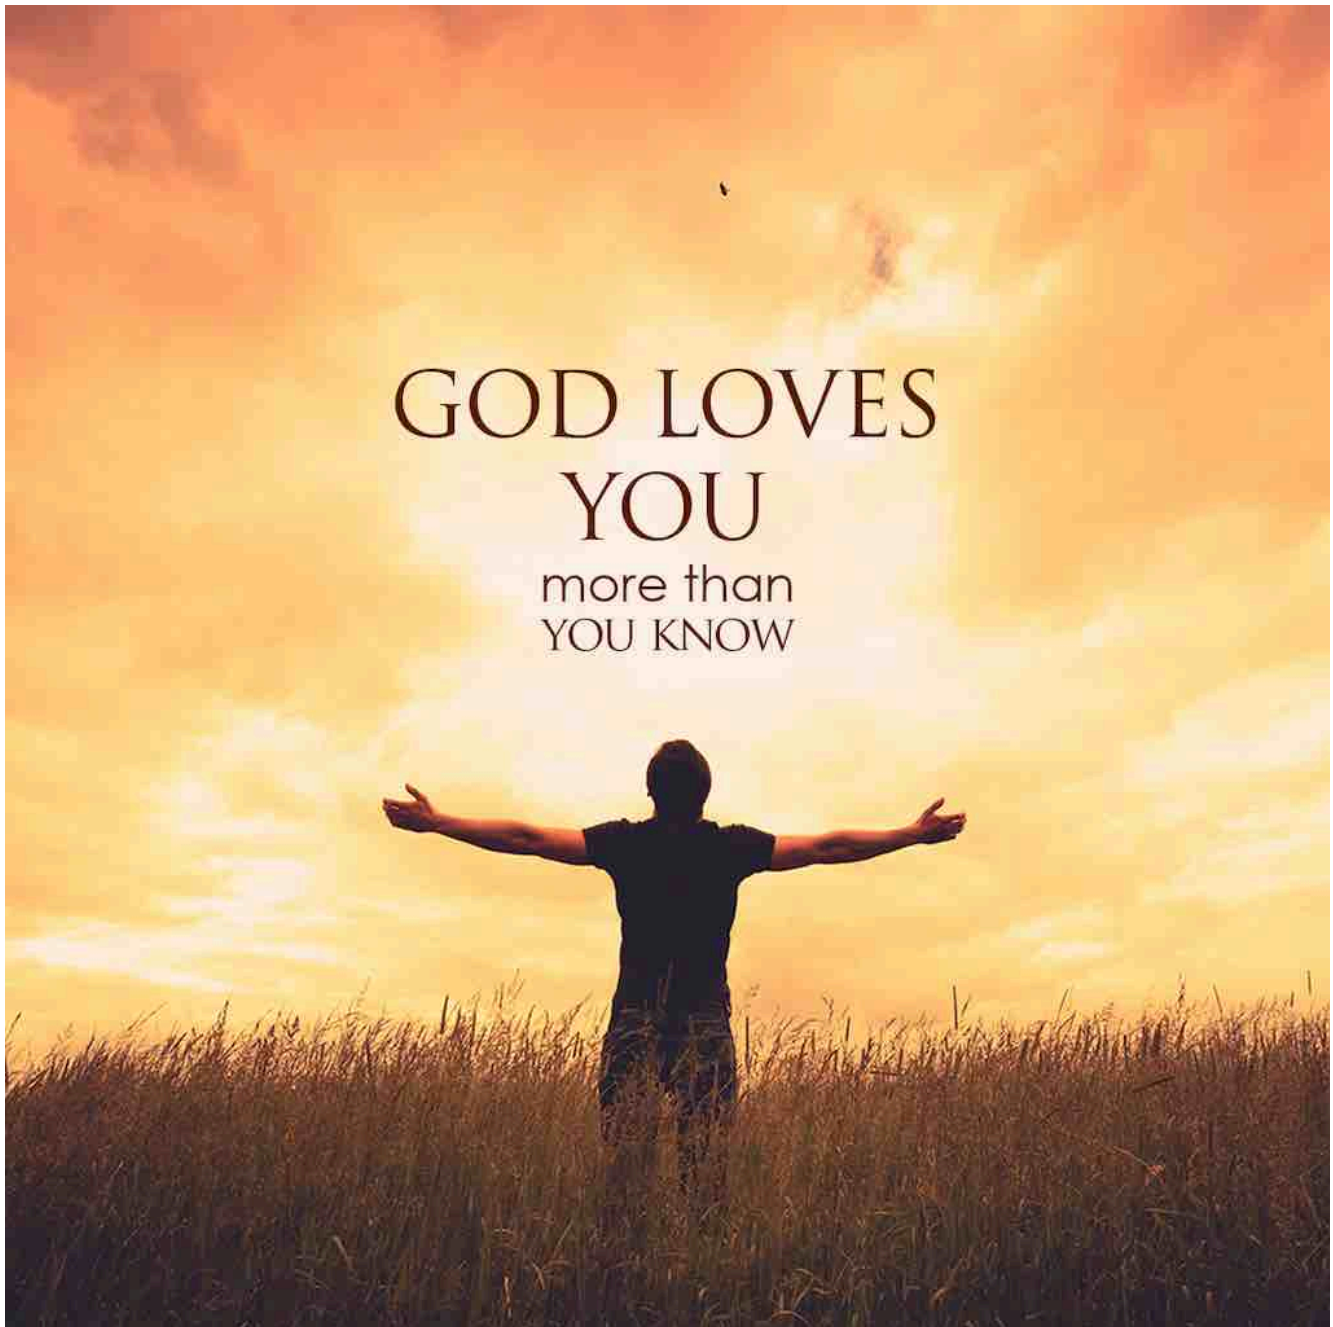

No matter what circumstance you find yourself in, you will never be separated from the love God has for you.

For I am convinced that neither death, nor life, nor angels, nor heavenly rulers, nor things that are present, nor things to come, nor powers, nor height, nor depth, nor anything else in creation will be able to separate us from the love of God in Christ Jesus our Lord. (Romans 8:38-39)

God's Love is Unfathomable

God's love for you is so vast that it surpasses anything your mind can even imagine or dream of. But God created you to know, and come fully alive in His love.

"You will be able to comprehend with all the saints what is the breadth and length and height and depth, and thus to know the love of Christ that surpasses knowledge, so that you will be filled up to all the fullness of God." (Ephesians 3:18-19)

God invites you to embrace his love

Step 1. Choose God's Love

We cannot know the love of someone with whom we don't have a relationship. If a stranger loves you, it may not mean much to you. Even though God dearly loves you, you won't experience it if you have no relationship with him. If you don't know God

personally, begin with Step 1.

The God who created the universe desires a relationship with you. His very nature is to love and He longs to share Himself with you. God wants you to know Him personally and receive His love, and the life it brings, as a free gift. [[Find out more...](#)]

Step 2. Experience God's Love

If you know Jesus as your Savior and Lord and want to experience more of his love, this step is for you to take.

Cultivate your love relationship with God and experience His limitless, transforming love for you. Delight in God's forever love for you and let it become your constant source of assurance in all you do. [[Find out more...](#)]

Step 3. Radiate God's Love

God pours out his love in your life so that you can be a channel of his love in this global crisis. It is your privilege and responsibility as followers of Jesus to love your neighbor as yourself.

He desires that his nature of love become your nature and that you radiate that to the world. He wants his love in you to overflow to others. [[Find out more...](#)]
