8. Next Steps for Your Spiritual Growth

New Life in Christ

After completing The Adventure of Living with Jesus, the New Life in Christ Bible study will be a great next step for your journey with God. You will learn more about the Holy Spirit who is the most important Person in your new life in Christ and discover how faith, prayer, and the Bible will help you live an adventurous and purposeful Christian life Jesus promised.

You can find the New Life in Christ study in the “Time with God” category [main menu > Time with God > Bible Studies > New Life in Christ Study] or select the link below.

Read the Bible

Want to study the Bible, but don’t have one of your own? The JO App contains the NET (New English Translation) Bible with notes and highlight functions.

You can also follow our daily Bible reading schedule. On the dashboard at the top, Daily Inspiration offers “Today’s Bible Reading.”

“Today’s Bible Reading” lets you read two chapter from the Old Testament, and one chapter from Psalm, Proverbs, the Gospels, and the rest of the New Testament. If you read all of the chapters every day, you will finish the entire Bible in one year.

You can also choose to read one of these selections each day.

Devotionals

Devotionals are personal experiences, anecdotes, thoughts, reflections, wisdom, or insights related to quoted Bible passages. They are inspirational, informative, and instructive.

Devotionals should not replace Scripture reading, but they are useful in making your daily Bible reading more effective and meaningful.

This JO App contains several devotionals. Go to the main menu > Time with God > Devotions.

Bible Study Tools

When it comes to understanding the Word of God (Bible), the Holy Spirit is the most important Person who guides us into all the truth (John 16:13). The Word of God is the language of the Holy Spirit. Whenever you read the Bible, make sure to ask the Holy Spirit to open your mind to understand the Scripture.

God has also provided us with many resources that will help us in our Bible study.

This JO App has a section that lists several resources to help you dig deeper into the Word of God so that you can faithfully obey His commandments and firmly embrace His promises.
