Keys to Happy Family Living Overview

Keys to Happy Family Living by Dr. Henry Brandt is written for anyone who desires to be the best marriage partner and the best parent possible. Happy, successful parenthood is based upon a successful partnership, which in turn requires two individuals who themselves are happy, contented, and adequate. The course is divided into three parts: *The Adequate Person*, *The Adequate Partner*, and *The Adequate Parent*. Each part contains four lessons for a total of twelve in the complete course.

The following is a brief description of each section, so that you will have an overall understanding of the content.

Section I: The Adequate Person

This section consists of four lessons that point the way to become such a person. Lessons 1 and 2 are entitled *Personal Peace*. Herein are included the factors that we believe are necessary for any person to have a sense of personal worth. These factors include proper speech, actions, desires, feelings, thoughts. Lesson 3 is entitled *Peace with Man*. Its theme suggests that, to be an adequate person, one must manifest proper outward behavior toward others as well as possess a wholesome inner reaction toward them. Lesson 4 is entitled *Steps to Spiritual Strength*. It contains a word map that points to the pathway which we believe you must take in order to find the inner resources that will lead you to find peace within.
