Overview: New Testament

Produced and owned by **BibleProject** · bibleproject.com · Not affiliated with JO EQUIP.

The New Testament is more connected to the Old Testament than you think. New Testament authors were steeped in Old Testament imagery, prophecies, and writing styles.

The New Testament is not a whole “new” story, but a continuation of the entire Bible so far. The Old Testament, also known as the Hebrew Bible, tells an incomplete story about God and Israel and their continual failings to be the people God calls them to be but also gives us hope of a coming Messiah. The New Testament tells the story of that long-awaited Messiah, Jesus.

Not a “new” story

The New Testament is not as disconnected from the Old Testament as some might assume. The cohesion is made evident in the writings of the New Testament where authors often reference back to Old Testament scriptures. Our New Testament Overview video shows the connection between the testaments and how the Bible is a unified story that leads to Jesus.

Thank you for downloading this free resource!

We're grateful you've taken this step in your spiritual journey. Your growth in Christ encourages us, and we pray this has been a blessing—strengthening your faith, deepening your understanding of God's Word, and equipping you to live for His glory.

Share Your Thoughts

Your feedback helps us improve future resources and encourages others:

Leave a Review or Send Us a Note — If you found this helpful, please consider leaving a short review. Your honest words make a big difference! We love hearing how God is using these materials in your life.
