Overview: Job

Produced and owned by **BibleProject** · bibleproject.com · Not affiliated with JO EQUIP.

Job explores the difficult question of God’s relationship to human suffering, and invites us to trust God’s wisdom and character.

Set in Uz, an obscure land far from Israel, during an unknown time period, the book of Job focuses on questions about God’s justice and why good people suffer. At the same time, it also asks the question we rarely think to ask, why do good people prosper?

Can you trust God is good?

Throughout the book, Job, his wife, and his friends speculate on why he, an upright man, suffers. Job accuses God of being unjust and not operating the world according to principles of justice, and his friends believe that Job's sin caused his suffering. Job decides to talk directly to God.

God reminds him that the world has order and beauty but is also wild and dangerous. While we do not always know why we suffer, we can bring our pain and grief to God and trust that He is wise and knows what He's doing.

Thank you for downloading this free resource!

We're grateful you've taken this step in your spiritual journey. Your growth in Christ encourages us, and we pray this has been a blessing—strengthening your faith, deepening your understanding of God's Word, and equipping you to live for His glory.
