A collection of five funeral poems offered on behalf of Jerusalem after its destruction by Babylon.

The Book of Lamentations may not be the most popular book in the Bible, but it is an essential ingredient for helping humans to understand an important aspect of their relationship with God – the expression of grief and distress. This special book is a collection of five lament poems recounting the tragic fall of Jerusalem to Babylon.

Jerusalem has fallen

This catastrophic event was the direct result of Israel's constant rebellion against God's Covenant despite His persistent warnings through prophets to Jerusalem's royal lineage.

Now surrounded by war, grief and suffering, the people of Israel acknowledge their sin and cry out to God for restoration and repentance in the lament poems, which are a way to process emotion and confusion at the disorder and chaos and to express themselves to God. Reading Lamentations helps us today to understand that communicating our distress to God about what's wrong in our lives is an appropriate response to the evil in the world, rather than keeping it bottled up inside.
