God Loves You Forever

Do you ever feel like no one cares about you? Or maybe you feel unworthy of being loved because of the way that you are or something that you have done.

Good news! God loves you and wants a love relationship with you. You may ask, **“Why would an eternal, holy God care about me?”**

The answer: Because God is love. Love permeates His entire being. No person will ever love you more, be as committed to you, or make a greater sacrifice for you than God.

When you understand God’s incredible love for you, it fills your need for love. This revelation helps you rest in His love regardless of your circumstances. Human love from imperfect beings will often fail you, but God’s love is solid truth that will last forever.

God’s Love is Unconditional

God loves you because of who He is, not because of what you have done or not done.

“But God demonstrates his own love for us, in that while we were still sinners, Christ died for us.” — Romans 5:8

God’s Love is Unstoppable

No matter what circumstance you find yourself in, you will never be separated from the love God has for you.

“For I am convinced that neither death, nor life, nor angels, nor heavenly rulers, nor things that are present, nor things to come, nor powers, nor height, nor depth, nor anything else in creation will be able to separate us from the love of God in Christ Jesus our Lord.” — Romans 8:38-39

God’s Love is Unfathomable

God’s love for you is so vast that it surpasses anything your mind can even imagine or dream of. But God created you to know, and come fully alive in, His love.

“You will be able to comprehend with all the saints what is the breadth and length and height and depth, and thus to know the love of Christ that surpasses knowledge, so that you will be filled up to all the fullness of God.” — Ephesians 3:18-19

God invites you to enjoy a love relationship with Him.
